UNITED STATES DISTRICT COURT

NORTHERN DISTRICT OF CALIFORNIA

SANTEYA DANYELL WILLIAMS,  
MARY RUTH SCOTT, KAREN  
LATREECE COLEMAN, PRISCILLA  
BUNTON, and ALYCE DENISE PAYNE,  
on behalf of themselves and all others  
similarly situated,

Plaintiffs,

v.

CITY OF ANTIOCH,

Defendant.

No. C-08-2301 SBA (EDL)

**STIPULATION AND (PROPOSED)  
ORDER SHORTENING TIME FOR  
MOTION TO COMPEL  
AS MODIFIED**

1 The parties stipulate to a modified briefing schedule and request an order shortening time  
2 for plaintiffs' motion to compel to be heard by Magistrate Judge Laporte.

3 1. Plaintiffs' Second Request for Production of Documents requests certain electronic  
4 data from defendant City of Antioch, which plaintiffs contend is necessary for their class  
5 certification motion.

6 2. Defendant has objected to the production of the data on various grounds.

7 3. The parties have met and conferred over the past two months in an effort to resolve  
8 the matter without the need for a motion. Those efforts concluded unsuccessful on July 13, 2009  
9 and the parties agreed that the matter would be presented for resolution to the magistrate.

10 4. The court's clerk informed plaintiffs' counsel that the earliest available hearing date  
11 for the motion was August 4, 2009.

12 5. August 3, 2009 is the discovery cut-off, as well as the due date for plaintiffs' expert  
13 reports. The parties request a short extension of those deadlines to accommodate the resolution  
14 of this motion to compel. The dates below may be subject to further modification based upon the  
15 court's ruling on the discovery motion.

16 6. In order for the matter to be heard promptly and not to delay the preparation of the  
17 class certification motion, the parties propose the following briefing schedule, hearing date and  
18 modification of the plaintiffs' expert witness report deadline.

19 Plaintiffs' Opening Brief on	
20 Motion to Compel	July 15, 2009
21 Defendant's Opposition Brief	July 22, 2009
22 Plaintiff's Reply Brief	July 28, 2009 by 12:00noon
23 Hearing Date (Proposed)	August 4, 2009
24 Discovery Cut-Off Date (for	
Electronic Data Only)	August 21, 2009
25 Plaintiffs' Expert Reports Due	
Date	August 24, 2009

IT IS SO STIPULATED.

DATED: July 14, 2009
